**MASON SBIRT**  
Screening • Brief Intervention  
Referral to Treatment

**SCREENING,  
BRIEF  
INTERVENTION,  
AND REFERRAL  
TO TREATMENT  
(SBIRT)**

# **SBIRT: A Public Health Approach**

**to Substance Use**

# THE CORE SBIRT PROCESSES

## Universal Screening

- Quickly **identify** the severity of substance use & appropriate intervention level
- Two levels:
  - Universal/Triage
  - Secondary

## Brief Intervention

- **Increase insight & awareness\_of** substance use; **motivate** toward behavioral change

## Referral to Treatment: Brief & Specialty

- Embedded **brief treatment**
- **Refer** to specialty care when needed

Identification

Intervention

Referral

# SBIRT is an Interprofessional Practice

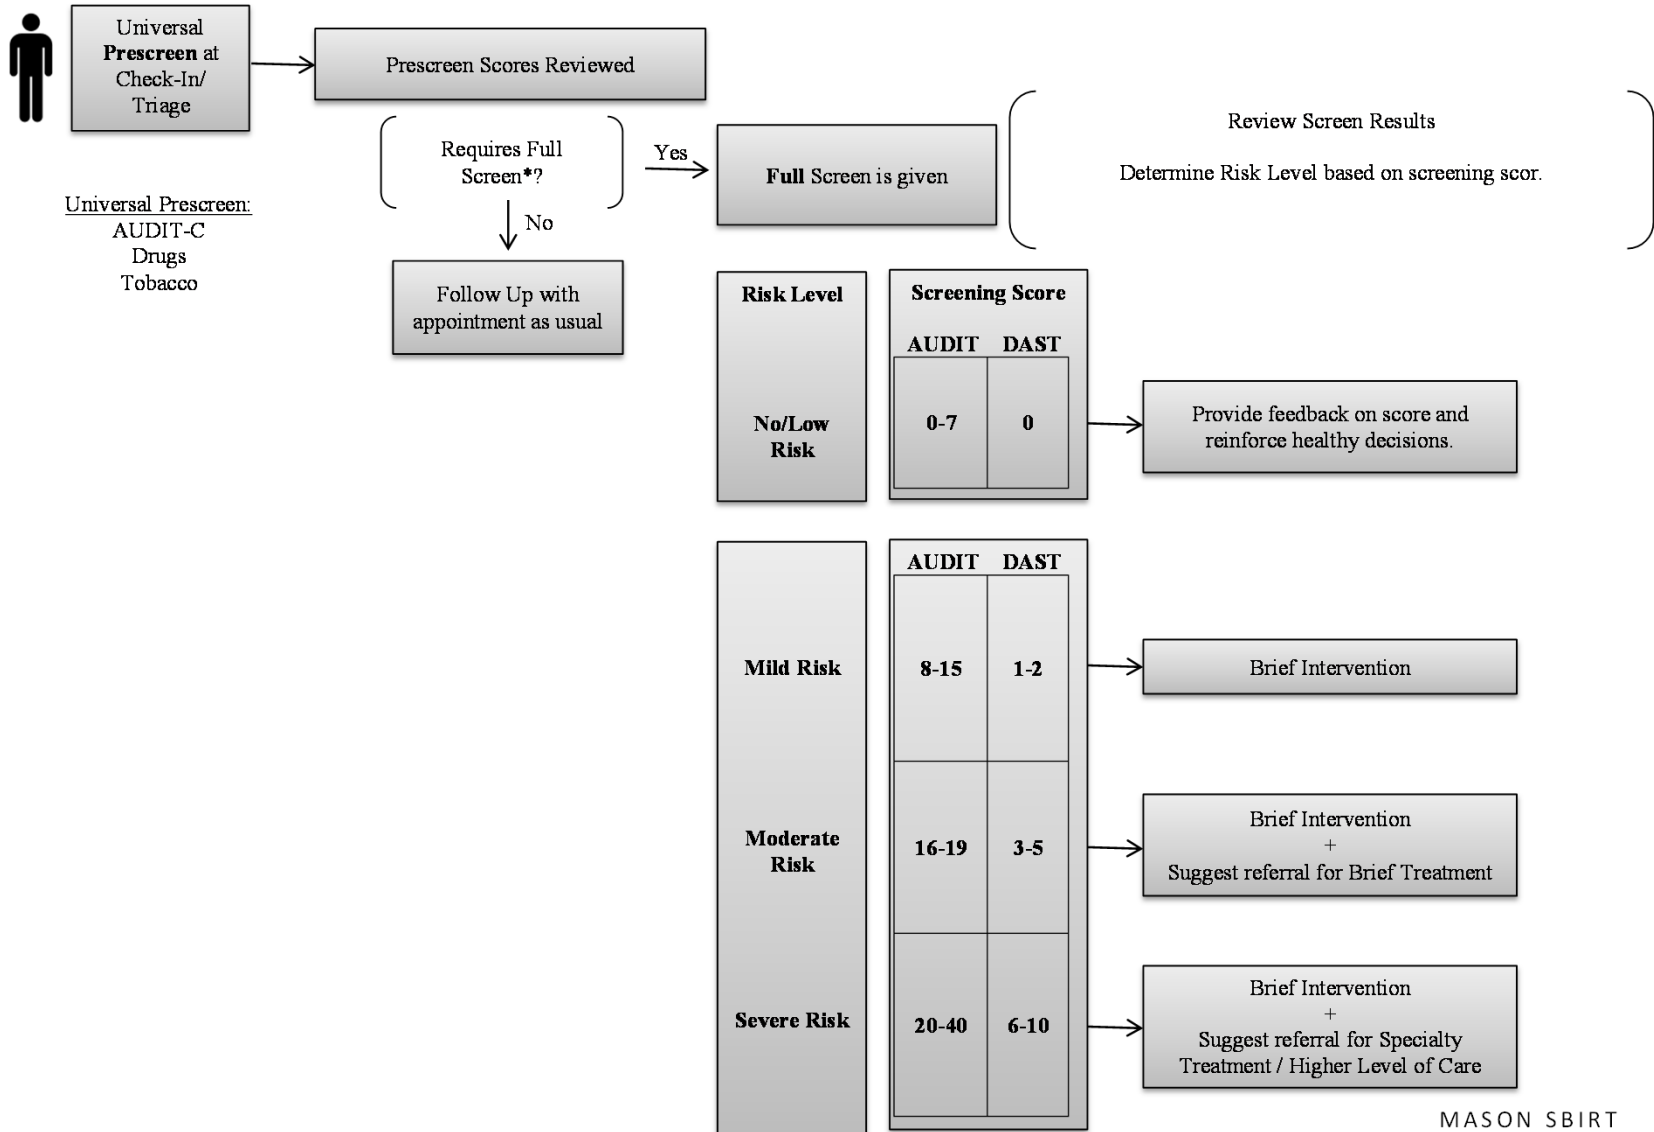

**INTEGRATION INTO  
AN  
INTERPROFESSIONAL  
PRACTICE SETTING**

# INTEGRATION INTO AN INTERPROFESSIONAL PRACTICE SETTING

# INTERPROFESSIONAL APPROACH

- Pre-training in SBIRT and Interprofessional Education
- Shared Consultations & Treatment Plans
- On-site Consultant/Trainer
  - Case Simulation Practice
  - Interprofessional Dialogues
- Evaluation Results

**THANK YOU!**
