

WORKSHEET: Control of Session Exercise on Leadership Style

Three leadership style options:

Directive: Teacher takes dominant role in deciding what to do, how and when

Democratic: Teacher collaborates with learners in deciding

Non-Directive: Teacher observe how the session is driven

Teaching Behavior: Adapt leadership style to educational purpose

In what contexts would each style be most appropriate?

Directive _____

Democratic _____

Nondirective _____

What leadership style do you generally use (i.e., is most comfortable for you)?

What alternative leadership style(s) would you consider using? Please describe context.
